## Celebrating 2 Years!

By the end of this term, Griffith Tutoring Centre will have been operating for two whole years! Time has flown by and the support from the Griffith community has been significant. In July 2020, we opened our doors with 27 students and 2 staff. Today, our 7 specialist tutors support almost 120 clients and enrolments continue to grow.

We are always looking for new teachers to join our team, so please spread the word.

*"GTC is a friendly and positive environment for children to learn in. Each lesson has a clear learning intention attached which is wonderful. Follow up homework is also provided. A fantastic centre for learning."*

- CARRI, Griffith

## ▶ ▶ ▶ CATCH UP SESSIONS ▶ ▶ ▶

This term Griffith Tutoring Centre had our highest number of enrolments ever. Our sessions are booked out and our tutors are flat out! This, coupled with the impacts of COVID and Influenza, has resulted in more limited options for organising catch up sessions.

In an attempt to solve this, we have implemented a new system of communication for last-minute availabilities. Spots made available due to late cancellations will be advertised on our Facebook page each morning and updated throughout the day, so keep checking in! If you see something that suits you, either comment directly on the post or send an SMS to 0474 328 911.

Please LIKE and FOLLOW our Facebook page to make organising catch up sessions easier for all of us! The added advantage of this is that you will receive all the latest news and updates from our centre.

Of course, if you do not exist in the world of Facebook, catch up sessions can also continue to be booked the old fashioned way!
